

Non-NCCU students log in to Moodle

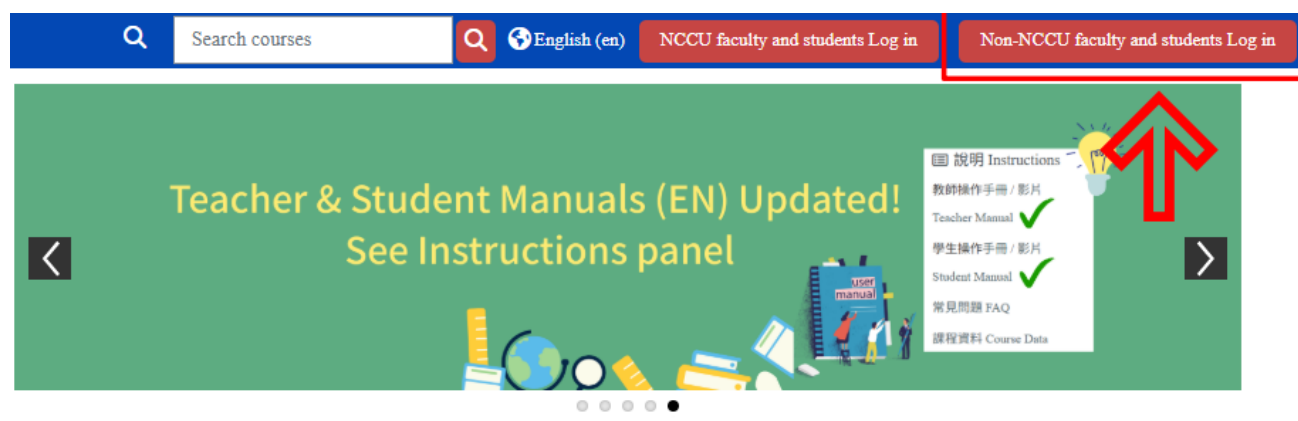

1. Create your Moodle account

1-1. Non-NCCU students will be assisted by the teaching assistant in applying for a Moodle account and gaining access to the courses upon successful registration.

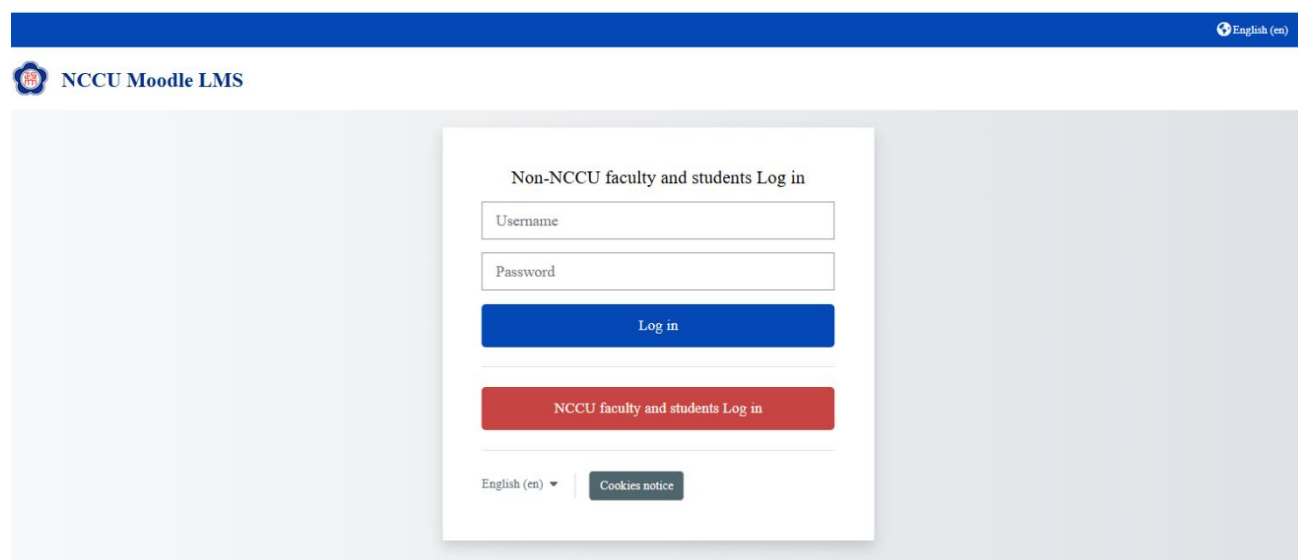

1-2. Your Moodle account will be created automatically by the system. Your username and initial password will be sent to the email address. If you do not receive the notification email, please check your spam or junk mail folder first.

2. Login to Moodle

2-1. Go to the [NCCU Moodle platform](#) and click the button in the upper-right corner of the page.

2-2. Enter your username and password, then click “Login” to access the platform.

Please change your password immediately after logging in for the first time.

If you wish to change your password later, click the drop-down menu next to your name in the upper-right corner of the screen and select “Preferences” → “User Account” → “Change Password.”

If you forget your password, are unable to log in, or do not receive the system notification email, please contact the NCCU Moodle Support Team for assistance.
